

## • Introduction – Empire Steel

- Empire Steel began its humble operations in the early 2012, with management having vast experience and knowledge in supplying building & constructions materials to the South Asian and South East Asian Region. Over the years, understanding our customer requirements and providing products and services to the satisfaction of our customers, have added immense value to our business.

Our client base has grown to include Steel Traders, Manufacturers, Constructions Industries, Marine, Oil & Gas, in South Asia, Africa, Middle East, Europe and Pacific countries.

## • General Steel

- We deal in a wide range of construction steel material such as Universal Beams, Universal Columns, Mild Steel Angles, Channels, Flat bars, Round bars, Deformed Bars, Square Hollow Sections, Rectangular Hollow Sections, and Black Pipes etc.

## • Value Added Steel

- Listening to our customers we have now shifted our supply focus towards the manufacture and supply of Value Added Steel Products such as Galvanized Grating, Wire Mesh, Pre-Galvanized Hollow Sections, Galvanized Pipes, Galvanized Angles, Channels, Flat Bars, Round Bars, Galvanized Beams and Channels, Primer Painted Hollow Sections, Universal Beams and Columns, Plates, Angles and Channels.

- **Specialization**

- Marine & Ship Building, Oil & Gas, Building and Constructions, Manufacturing Plant, Infrastructure.

- **Our Services**

- We also undertake special fabrication requirements from our customers such as galvanizing and priming services for steel items that we do not carry in stock.
- We recognize that your product and service requirements may differ from our focus. However, we assure that we are the best in providing value to our customers.
- As we are continuously on the lookout to forge new partnerships with the right partners, get in touch with us and we shall work towards adding value to both our businesses.

Thanking you.

With Warm Regards  
**EMPIRE STEEL**
